To whom it may concern,

This letter is being presented as this person is an Adult Foster Home Licensee. This Licensee provides residential care in a home like setting for a maximum of 5 adults. These adults are older (over 65 years old) or have physical disabilities. These residents are dependent to have their needs met by this Licensee.

Per Oregon Administrator Rule (OAR) 411-050-0725(7), this Licensee is required to have enough food and supplies for each of these residents in their home during an emergency. This also includes the staff and any other occupants that live in the Foster Home.

This Licensee is not only getting supplies and food for themselves, but also for a up to five vulnerable Oregonians for whom they provide care for 24 hours a day. We have learned there is a strict maximum per customer regarding certain groceries and supplies during this difficult time. This is understandable; however we are requesting that an exception be made due to this Licensee's responsibility for safeguarding and caring for Oregon's most vulnerable citizens.

Thank you for your consideration.
